

# April 2017 Resident Spotlight

**TraQuana Smith** - Jester West Residence Hall

TraQuana Smith is your go to person for all your Residence Hall Council needs. She goes above and beyond what is listed on her job title as Jester West President and she has proven just how much she can do in this small span of her Presidency. When you have a question, she will do anything in her power to get you the information you need. She is the go to person when you want to get something done. Even when things manage to go wrong, she will do everything in her power to set things right.

Congratulations, TraQuana!
