GUIDELINES

Containers can only be used at Jester City Limits, Cypress Bend Cafe, and Littlefield Patio Cafe.

Division of Housing and Food Service
Environmental Specialist
DHFSenvironment@austin.utexas.edu

If you lose your nickel, you must purchase another nickel to rejoin the program.

As a courtesy to other Eco2Go members, please return you containers within 24 hours after usage.

PROGRAM
Get it to-go and go green!

Learn more about the Division of Housing and Food Service’s sustainability initiatives at:

WHAT IS ECO2GO?

The Eco2Go program gives you the opportunity to take meals to-go from DHFS venues in reusable containers rather than always using disposable plates.

HOW IT WORKS

Purchase an Eco2Go “nickel” for $5 at Jester City Limits, Cypress Bend Cafe, or Littlefield Patio Cafe.

1. Show your nickel to the line server so they know to serve your food in an Eco2Go container.

2. Turn in your nickel to the cashier.

3. Enjoy your meal and clear out your container once you’re done.

4. Drop off your Eco2Go container at one of the designated stations and get a new nickel for your next visit.

WHY JOIN?

- **save at the register**
  Members receive a 5% discount on their meals when they use an Eco2Go container.

- **promote green initiatives**
  Using an Eco2Go container helps reduce UT’s carbon footprint on the environment.

- **take it to-go!**
  Eco2Go containers keep your meals hot and securely covered whether you’re on the go or just returning to your room.
