Move Out Reminders

Summer can be a time of transition - especially for our residents who have graduated or those moving from the Apartments!

**Remember To:**
- Hand in apartment key(s), mail key(s), and parking placards
- Leave modem & cables in the apartment
- Leave your apartment clean like when you first moved in

When moving, it is important to make plans to dispose of your unwanted items and trash properly.
- Donate unwanted items
- Give away items to friends
- Throw away trash in the dumpsters

Do not leave unwanted items outdoors or next to the trash dumpsters. You can incur fines and cause trash to litter the property. Thank you in advance for your thoughtfulness and attention to keeping our community clean!

Apartment Contract Renewals

Eligible residents have the opportunity to renew their apartment contract online. An email message was sent from University Apartments with details on how to renew your contract for the July 1, 2018 - June 30, 2019 year!

The deadline to renew your apartment contract is: May 18, 2018
Outdoor BBQ Grill Safety

As you enjoy your summer, the University Apartments team wants to remind all residents to be cautious when using outdoor grills in the complex, especially during the current Travis County and City of Austin burn ban.

When using the outdoor grills provided in the apartment complex, remember:
1. Do not leave grills unattended
2. Only utilize the minimal amount of charcoal needed
3. Ensure that an extinguishing agent is present when grilling (bucket of water, sand)
4. Extinguish all charcoal when finished

To learn more about the current burn ban, you may visit the City of Austin website at: http://www.austintexas.gov/news/burn-ban-issued-city-austin-parkland

Summer Occupancy

Many students travel throughout the summer. If you have live in guests and leave your apartment for more than 10 days, email the Apartments office with the reason for the absence and expected length of absence at: UHD.Apartments@austin.utexas.edu.

Also:
Per your apartment contract, you are not permitted to sell, sublease or assign your apartment. Those found to be in violation will be referred to the Academic Integrity and Student Conduct Office and can lose their apartment contract.

Jaime is a maintenance staff member at the University Apartments. From carpentry to plumbing, Jaime has helped with many projects at all three complexes. With over 13 years of service at UT, it is safe to say that Jaime enjoys being a part of the Longhorn community. Originally from El Salvador, Jaime is fluent in Spanish and English. He grew up as the oldest of 4 children in his family, with 2 brothers and 1 sister. Jaime has a family of his own now, with 2 adult sons who are 26 and 30.

When Jaime is not at work helping to keep the Apartments community happy and intact, he is out playing golf with his 2 sons. Jaime takes pride in providing quality service to our residents — so much so, that he was recently honored at the Floyd B and Jo Hoelting Quality of Residence Life Awards Ceremony as a finalist. This is a prestigious award that highlights the hard workers in University Housing and Dining who make living here feel like home.

Aside from his daily tasks at work during the day, Jaime serves on the emergency maintenance on-call rotation to assist the CA on-call for facilities emergencies when the office is closed. This means that if your toilet is overflowing at 3am, Jaime would be coming to your rescue!

When asked what he likes most about working here, Jaime shared that he loves being a part of this team. If you see Jaime around the complexes, feel free to say hello and ask him about his steak recipes!
