Welcome Back Event
SATURDAY, SEPTEMBER 8, 2018
11:00 AM
GATEWAY COMMUNITY ROOM

MAY YOUR ADVENTURES BE EVER SO BOUNTIFUL

Kick off the new year with your neighbors!
*Enjoy activities and lunch*

IF YOU REQUIRE DISABILITY ACCOMMODATIONS, EMAIL NLANE@AUSTIN.UTEXAS.EDU
The UT Police Department (UTPD) is focusing on implementing additional traffic enforcement in the complexes during the next several weeks while patrolling our areas. This includes monitoring for vehicle moving violations and issuing tickets to violators who are not abiding by road signs. These specific efforts are in response to residents sharing their concerns about vehicles speeding in the complex, not fully stopping at stop signs, or driving the wrong way on one way streets near the Apartments office (Jasper & Lufkin).

Resident safety is our priority, and we want to remind all residents and guests to abide by road signs, including:

• Speed limit signs (15 MPH)
• One-way street signs
• Stop signs
• Do not enter signs

Bicycle Reminders

• Bicyclists ride with the flow of traffic;
• Bicyclists must obey traffic signs, including stop signs;
• All bikes in the complex are required to have a University Apartments bicycle tag with the owner's apartment number listed. To get a free tag, contact the Apartments team.
• Use a U-lock and a separate self-locking cable. Lock the frame and front tire to the bike rack using the U-lock. Then, use the secondary cable to connect the back tire to the frame.

UT students should also register their bicycle with UT's Parking and Transportation Services. Registering your bike with PTS adds your bicycle's serial number to a database, making it easier to recover if it is stolen. Learn more about registering your vehicle with PTS here: parking.utexas.edu/bike/registration
Lyft is the provider for UT Austin’s SURE Ride program!

SURE Ride provides Lyfts away from main campus to your home*
7 days a week from 11pm to 4am.

*Locations served will mirror current UT Shuttles routes for West Campus, Far West, Lake Austin, North Riverside, Lake Shore, Crossing Place, Red River, and Intramural Fields. All SURE Rides must originate from main campus only.

Interested in signing up for SURE Ride? Please refer to the SURE Ride website for additional program information as well as how to sign up:
https://parking.utexas.edu/sure

SURE Ride will resume fall service starting the evening of Friday, August 24.

However, SURE Ride will not be in operation the night of Monday, September 3, in observation of Labor Day, but will resume operations the following night.

Hello University Apartments!

My name is Khalid Osman. I am one of the Community Advisors (CAs) in the Colorado Apartment Community.

I recently graduated from the Cockrell School of Engineering at UT with a Master’s in Civil Engineering. I loved that journey so much that I decided to pursue my Ph.D. in Civil Engineering. My primary focus is on Sustainable Systems Engineering.

I was born in Mombasa, Kenya, and arrived in the USA at the age of 2. I spent most of my time growing up in Portland, Oregon. My favorite food to eat is my mother’s lasagna. I have tried to imitate her recipe, but you just can’t mimic mother’s hands. Overall though, I would rather have a slice of cheesecake cake, a cookie, or some ice cream instead of “real food.”

I love traveling, learning about new cultures, exploring new languages, and most importantly - trying different foods and desserts. When I’m not travelling, I love watching and participating in sports – I am a HUGE Los Angeles Lakers fan. If you are too, let’s watch the games together!

I am ecstatic about the opportunity to engage with the University Apartments community! I am always approachable, so please feel free to stop me in my tracks for any questions or quick conversations!
The **Tenant Advisory Board (TAB)** is composed of student representatives living at University Apartments. TAB members represent student residents and registered guests by:

- Improving the quality of University Apartments community life by organizing events;
- Managing the Community Gardens;
- Proposing recommendations to University Apartments staff;
- Engaging in advocacy in the community related to residents’ ideas and concerns; and
- Reviewing resident appeals
