The Keys to Your Room
5 Steps to Living on Campus
01. GETTING STARTED
• **Complete your University of Texas at Austin admission application** Once completed, you are eligible to start your housing application, which opens on Aug. 1. You do not have to be admitted to the university to apply for housing.

• **Submit your housing application** The sooner you apply for housing, the better your chances of getting a contract because your housing application holds your spot in line. There is a $50 non-refundable application fee. Your housing fee is waived if your admission application fee was waived.
02. HOUSING CONTRACT
• **Accept admission to the university** Accept your admission by the May 1 deadline and pay your enrollment deposit. Then you'll be eligible to receive a housing contract.

• **Housing contract offer** Contracts are emailed on the 1st and 15th of the month starting March 1. Check your email regularly – the contract offer expiration date is included in the email. A $300 prepayment must be submitted prior to signing your contract. If your admission application fee was waived, your housing prepayment is deferred.
• Younger than 18? You will need a guarantor who is 18 or older to sign your housing contract.

• Missed the deadline? Our housing reservations team can help. Call 512-471-3136 or email housing@austin.utexas.edu.
