LIVE HERE. LIVE MORE.
Living on campus puts you right in the middle of the action. Classes, meals, gyms, pools, libraries, the health center and study groups are all a short walk from your room-sometimes even in the same building.

EXPERIENCE THE FORTY ACRES

Living on campus offers unparalleled communities that support your success as you transition to this next phase of life.

LIVING LEARNING COMMUNITIES

Living Learning Communities (LLCs) are dynamic residential communities where students live together in the same area of a residence hall, sharing unique experiences and increased opportunities for faculty, staff and peer interactions supporting the theme of the LLC.

- Global
- Healthy Lifestyles
- Women in Engineering
- Sustainability
- Women in Natural Sciences
HONORS LIVING COMMUNITIES

Andrews, Blanton, Carothers and Littlefield make up the quad and house approximately 500 students, most of whom are in one of the university’s undergraduate honors programs.

FIRST-YEAR INTEREST GROUP (FIG)

A First-Year Interest Group (FIG) is a group of 18 to 25 first year students who take two to four classes together during their first fall semester.

S.T.E.E.R. - STRATEGIES THAT EDUCATE AND ENGAGE RESIDENTS

This comprehensive learning curriculum is geared toward helping residents develop personally, socially and professionally.

Our S.T.E.E.R program encompasses three goals. Residents will:

- Use appropriate self-management
- Engage in community
- Demonstrate cultural competency

SHARE YOUR EXPERIENCE

Ways to get involved in your residence hall:

- The University Resident Hall Association
- Residence Hall Program Team
- Residence Hall Councils

EXPERIENCE PEACE OF MIND

University of Texas Housing and Dining works to create transformative living and learning environments where students feel safe, involved and inspired to change the world. Professionals with advanced degrees supervise all of our residential areas and take a holistic approach to student safety. Student security is monitored around the clock by our full-time and student staff.

- Controlled access to doors and living areas
- 24-hour front desks
- Resident Assistants
- University Police SURE Walk program (provides students with a safe escort at night)
All residence halls feature furnished rooms, study lounges, wireless internet, microwave, refrigerator and laundry rooms.

The halls are grouped into three communities - Jester, Waller Creek and Whitis.

**JESTER**

Jester is like UT itself—it’s huge. Located on the south side of the university on Speedway Mall, Jester is home to 3,200 students in two towers.

**WALLER CREEK**

Nestled along the Waller Creek and in the shadow of the Darrell K Royal-Texas Memorial Stadium, Waller Creek is home to Brackenridge, Roberts, Prather, San Jacinto and Moore-Hill residence halls, as well as Creekside, the only all-male hall.

**WHITIS**

Tucked in the northwest corner of campus, the Whitis Area is made up of several unique halls - Andrews, Blanton, Carothers, Littlefield, Kinsolving, Duren and Whitis Court.

**EXPERIENCE ALL OF THE COMFORTS OF HOME**
EXPERIENCE SUSTAINABILITY

We are committed to reducing our footprint and helping the environment by supporting sustainable initiatives.

• Campus gardens
  We have two campus gardens, one located behind Jester and one in the courtyard of Kinsolving, that are maintained by students focusing on sustainable campus farming, zero waste and sustainability education.

• UT Farm Stand
  During the semester UT Farm Stand holds two events per month to bring students delicious and seasonal produce.

• Eco2go
  The Eco2Go program enables students to take food to go in our BPA-free, reusable containers that are recyclable and microwave-safe.

University Housing and Dining seeks to foster a living and learning experience of environmental stewardship and sustainability awareness. We make every effort to encourage students and staff to be engaged citizens of the world by increasing their understanding of sustainable living.
EXPERIENCE DELICIOUS, SUSTAINABLE AND NUTRITIOUS MEALS

Some of life's most exciting and memorable moments happen over meals. Our dining halls incorporate incredible flavor, unique ingredients and high-quality culinary talent into every meal.

Our registered dietitians support diverse dietary and nutrition needs. The Housing and Dining Food Allergy Support Team (FAST) is here to help make managing a food allergy on campus a little easier. FAST members received in-depth training on food allergies and are ServSafe Allergen certified through the National Restaurant Association.

In addition, Jester 2nd Floor Dining (J2) includes an entire meal line, the FAST line, dedicated to providing a dining experience free of the top eight food allergens.
