MOOOV-IN RESIDENCE HALL ROUTES FROM DISCH-FALK FIELD

GENERAL PARKING TIPS

UNLOADING
Your unloading pass allows you to park free of charge for one hour, ONLY in designated spaces. Look for signs marked Unloading Zone.

If you prefer, you can use your unloading pass to park in TSG, SWG, SJG, BRG, MAG or TRG garages for 60 minutes from the ticket entry time.

LONGER-TERM PARKING
After one hour you must relocate your vehicle from the Unloading Zone to avoid fines.
You will need to pay to park in one of the garages or at a parking meter on the street.

TICKETS, FINES OR TOWING
Check the parking signs carefully. Parking anywhere other than where your pass allows may result in ticketing or tow. This includes fire lanes, disabled parking spaces, along yellow curbs, or any space designated as “Permit Required At All Times”.

Look out for parking meters to ensure you are in an unloading zone and not a metered space (usually marked “Pay-To-Park”). Your unloading pass does not cover parking in a metered space.

If your vehicle is ticketed for whatever reason, University Housing and Dining has no jurisdiction in this matter. Parking and Transportation Services (PTS) recommend following the appeal instructions listed on the citation.
